What is ACCORDS?

Adult and Child Center for Outcomes Research and Delivery Science

ACCORDS is a 'one-stop shop' for pragmatic research:

- A multi-disciplinary, collaborative research environment to catalyze innovative and impactful research
- Strong methodological cores and programs, led by national experts
- Consultations & team-building for grant proposals
- Mentorship, training & support for junior faculty
- Extensive educational offerings, both locally and nationally

Improving Health by Engaging Refugees in Denver

Best Practices in Partnership

Capacity building is a part of your research partnership

- Timing of meetings
- Childcare
- Compensation and payment
- Principle of Co-learning
How are community partners AND researchers growing their capacities and learning from each other through your work together?
